"Errevi Industrial" arriva nelle nuove confezioni nero e argento: un tocco in più di distinzione.

E come sempre, un rapporto qualità/prezzo eccezionale.

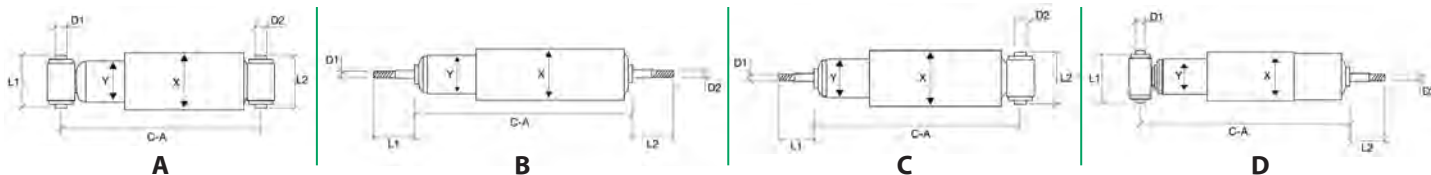

"Errevi Industrial" is the new added value line offering the quality that has always distinguished Errevi. "Errevi Industrial" includes articles made by first equipment suppliers and the best known manufacturers of components for commercial vehicles, as well as products assembled by Errevi with original components. "Errevi Industrial" comes in new black and silver packaging: an extra touch of distinction.

And as always, an exceptional price/quality ratio.

Errevi si impegna ogni giorno per assicurare ai propri clienti il massimo livello di qualità, in particolare per quanto attiene all'intercambiabilità, alla funzionalità e alla durata di tutti i suoi ricambi, indipendentemente da dove essi siano prodotti. Per questo Errevi ha creato un processo interno di certificazione della qualità: "Errevi Approved" è fondato su rigorose regole da soddisfare appieno affinché i prodotti possano fregiarsi di tale marchio di eccellenza.

Errevi pursues a daily commitment to ensuring its customers enjoy the highest level of quality, in particular as regards interchangeability, functionality and durability of all its spare parts, regardless of where they are produced. This is why Errevi has created "Errevi Approved", an internal process of quality certification based on strict rules that have to be fully satisfied for the products to claim this mark of excellence.
